Good Grooming Habits Fun— For Small Fry

Every little girl—and every big girl—yearns for beauty and the attention it brings.

And beauty is enhanced or marred by grooming or the lack thereof, say the experts.

Susan Jo Anderson, 2, daughter of John Anderson, 2238 So. 48th, has heard that a beautiful skin starts with that immaculate freshness that comes with proper cleansing—whether with soap and water or the various creams and cleansers found on the dressing tables of most women.

And Susan Jo also has heard that beauty habits learned early in life are an asset to any woman—for good habits will continue throughout the years.

More than that—Susan finds that the habit of cleansing one's face is lots of fun . . . She has watched the grownups and she knows the three essential steps in washing her face. First, lots of soap with a good lather rubbed in well. Second, rinsing with clear water until every vestige of soap and grime has disappeared. Third, stimulating the skin by a brisk rubbing with a turkish towel.

"Soap bubbles are such fun to play with, and the lather has a funny feeling," Susan says during the first step of her cleansing treatment. (Journal Photo.)

"Rinsing my face well is the next procedure . . . but I mustn't get too much water on my face, I might get wet," Susan follows the soaping with the second step. (Journal Photo.)

"Am I beautiful?" Susan has completed the three steps in beauty care, and is hoping that everyone will notice the "difference grooming makes." (Journal Photo.)

Mary Gordon

Widower Lonely for Companions

Dear Mary Gordon: I am a widower and my wife died five months ago. I have not gone out at all but wonder how much longer I must sit alone in my empty house. Would it be considered disrespectful to my dead wife to start paying attention to someone before the year is up?—Si.

Answer: You needn't sit alone at home, grieving and brooding. No one expects that. Mingle with your friends. But for the sake of appearance it seems best not to go out with any one until toward the end of the year after your wife's death.—M.G.

* * *

Dear Mary Gordon: To the reader who asked to take old stains from glass windows: Try mixing salt and vinegar, an old remedy told me by a friend, and still very good.—A.W.

Answer: Thank you very much. Another combination is tea leaves and vinegar, which will remove stubborn lime stains from glass, it is said.—M.G.

Autumn Bride

Miss Marian Keim

HEBRON — Mr. and Mrs. Oliver Keim announce the engagement of their daughter, Marian, to Robert L. King of Wayne.

An autumn wedding is planned.

Hastings Residents

HASTINGS—Dr. Edwin W. Lebsack, Mrs. Lebsack and their 2-year-old son have moved here and are residing at 730 North Kansas.

Variety Is the Spice of Life

Visitors at the home of the Rev. Dean R. Leland are Mrs. Fred Bentley (Elizabeth Leland and Miss Dorothy Leland of Chagrin Falls, O.

Mrs. Bentley was honored guest at a coffee for which Mrs. Flavel Wright was hostess.

Mr. and Mrs. Richard R. Russell are the parents of a son, James Dunn, born Aug. 13, at Lincoln General Hospital. His mother is the former Barbara Dunn, daughter of Mr. and Mrs. H. J. Dunn of Hastings, and a KKG at the University of Nebraska. Mr. Russell, a Phi Delt at NU, is the son of Richard A. Russells.

A true sportsman's week end is planned by Dr. A. B. Chaloupka. He has left to meet friends in Iowa, and the party will go on to Chicago where they have tickets for the All Star football game Friday night . . . Saturday they will see the Milwaukee Braves and Chicago Cubs play baseball . . . and will finish off the week end fishing in the Wisconsin lakes.

Feted at a neighborhood farewell party was Mrs. Townsend Smith, who with Dr. Smith is moving to Selin's Grove, Pa., where Mr. Smith will be on the faculty of Susquehanna College. He has been professor of physics at the University of Nebraska, and for some twenty years has concentrated in the fields of electricity and magnetism.

Dr. Smith was honored at a department picnic, and received a plaque with names of his colleagues and graduate students, and was presented with a gift in appreciation of his service at the University of Nebraska.

Mrs. O. J. Hitchcock has returned from a visit to Lebanon with her daughter and son-in-law, Mr. and Mrs. David Wilder, and their children, Jay, 8, and Hugh, 6. Mrs. Wilder will be remembered as the former Olga Mary Hitchcock, for many years the children's librarian at the City Library.

Mrs. Hitchcock left early last December and stayed for a month in New York City with her son, Jack Hitchcock, and his family. Mr. Hitchcock, NU graduate, was with local radio stations before going East where he was associated with the Voice of America. He and his family are now moving to St. Petersburg, Fla., where he has bought a small private school.

From New York Mrs. Hitchcock went directly to Beirut Lebanon for a four-month visit with the Wilders. Mr. Wilder is the librarian of the American University at Beirut.

Mrs. Hitchcock found many Americans in Beirut—some with the Point Four Program, others associated with the university, and of course the regular government personnel. She also visited the historic spots in the Holy Land—Jerusalem, Damascus and the 12th and 13th century Crusader castles. On her return to the United States she traveled through Italy.

Young visitors in Lincoln have been Challis Ann, Susan Kay and Lorelei Letton, daughters of Mr. and Mrs. Harry P. Letton Jr., of Los Angeles.

Some three weeks ago, the Lettons left the girls here for visits with their two grandmothers, Mrs. H. P. Letton and Mrs. H. J. Lehnhoff, and went East on a business-pleasure trip. They were in Washington, D. C., New York, and also visited in Chicago and Detroit. They are due over the week end from their jaunt, and will remain about a week before returning to their West Coast home.

The junior Mrs. Letton is the former Carolyn Lehnhoff.

Several informal affairs have been planned for the visitors, including a family party on Sunday at the home of Mr. and Mrs. Robert E. Butlin, Mrs. H. P. Letton's nephew.

University Graduates Engaged

Mr. and Mrs. James M. Weir of Galesburg, Ill., announce the engagement of their daughter, Nancy Emmeline, to Joel C. Mead, son of the late Mr. and Mrs. Joel C. Mead of Western.

Miss Weir was graduated in June from the University of Nebraska. She was president of Gamma Phi Beta, and a member of Alpha Lambda Delta and Alpha Kappa Delta.

Her fiance is a graduate of Kemper Military Academy and the University of Nebraska, where he was affiliated with Alpha Gamma Rho.

warming. The Dudgeons were presented with a gift of garden furniture.

The Dudgeon baby was not feeling well, so the party moved on to the George Wright home for the picnic part of the entertainment.

Dr. Janet Palmer has returned from a three-week vacation tour of Europe and the British Isles. She and her daughters, Anne and Marilyn, flew both ways and had a wonderful time visiting all the spots of interest on the continent not behind the Iron Curtain. Anne and Marilyn will be back in Lincoln before the end of the month—they are visiting friends and relatives—in time for Anne to pack and be off for Oberlin, and Marilyn to re-enter Lincoln High.

Safety Crusade Gets Help

SEWARD—The National Crusade for Safety has co-operation from the Seward Woman's Club and a Boy Scout anxious to secure community service hours. Mrs. Harold Davisson, project chairman, is shown watching Buddy Davisson band a bike for Rick Hastings. Nearly all bikes in Seward have been "safety treated" as a result of the club's efforts.

Grand Island Women's Club Buys Home

GRAND ISLAND—The old Hargis Mansion is to be the new home of the Grand Island Woman's Club. The house at 1109 West Second has been purchased from the present owners, Christ Lutheran Church, who will retain ownership for one year, allowing the Woman's Club to hold all general and departmental meetings in the building.

The Executive Board of the Woman's Club gave a tea at the mansion which gave members an opportunity to view the building. Unanimous approval was given to the recommendation made by the board for the purchase of the property for use as a club house. A campaign is planned for this fall to raise funds for the purchase of the building and needed furnishings. The goal has been set at $20,000, and several substantial donations have already been received.

Purchase of the club house fulfills a long-time ambition of the woman's club—with its present membership of almost 500 it is the largest federated woman's club in Nebraska—for a permanent home.

Members of the Building Committee are: Mrs. B. J. Cunningham Sr., chairman; Mrs. E. J. Huntemer; Mrs. N. A. Zuzpan; Mrs. George Miller; Mrs. William Huxford, and Mrs. Ralph Farrall, ex officio member.

Arrangements for the tea were made by Mrs. N. A. Zuspan, with Mrs. George Miller in charge of courtesies. They were assisted by all members of the executive board.

Punishment In Anger Has Unfortunate Results

Every time we punish a child we give him an experience in which we are permanently woven. He will never think of that punishment without thinking of us and what we said and did. We cannot, therefore, afford to make mistakes.

Patri

Trudo was making a noise with his toys. He pulled them out, threw them and he shouted. His father called out, "Trudo, stop that noise and keep it stopped."

"Keep still yourself," Trudo answered back.

The outraged father gave Trudo a vigorous slap. And that was the beginning of a long battle. From then on father and son were at odds.

By and by Trudo reached adolescence. He fell in love with a girl of whom his father did not approve. One evening, when Trudo was preparing to go to a dance, his father objected and said harsh things about the girl. The boy lost his temper and struck his father. The boy had learned from his father that loud words, quick blows, hot anger were necessary in emphasizing his decision.

Trudo's father had never examined his idea of punishment. Did he merely do something to the child because the child was disturbing him? That was no reason. Was he trying to mete out justice? If he was he should have stopped before he spoke. Was he trying to make the child afraid? He couldn't teach a child that way. He did not know that punishment is not a matter of an eye for an eye and a tooth for a tooth. Unless punishment teaches, unless it is a force for good, it is wrong and will fail. It is a force for good only if it teaches what is right. What is it you would have your child be? Honest? Well and good. Does punishment help him to see moral values so that he has the courage to tell the truth, to be honest, or does it make him afraid? Remember, you can't trust fear. Punishment should be corrective, constructive. It should have a lasting effect for goodness, or it is worthless.

Let's think a bit. When you slap a child—why did you do it? Isn't it to hurt him? Didn't you want him to feel the power of your wrath? If not, why do you knit your brows and clench your teeth? If you shake and slap him, why do you do it? To keep him safe? Does violence make him safe? Children make mistakes, of course. The idea is to help them interpret their mistakes and learn by them. If punishment can't do that it's harmful.

The most successful teacher is experience. But it can't be always trusted to do its job without danger to the child. So we supplement the child's experience. We set the pattern he is to follow, we lead him to see the error of his ways and to wish to do better.

Culbertson On Bridge

No real problem is presented in the following case, but the hand does illustrate the proper way to establish a long suit—as contrasted to the faulty technique so often applied.

The bidding:

SOUTH	WEST	NORTH	EAST

3 NT	Pass	3 NT	Pass

West made the normal lead from his holding; the spade ten, top of the interior sequence. Declarer put up dummy's jack, and when he was lucky enough to have that card hold, he could count eight sure tricks—three spades, two hearts, two clubs and one diamond. The fulfilling trick might come from a successful diamond finesse, or from the set-up of a long club by finding a 3-3 break, or—most probably—from the establishment of dummy's heart suit.

The catch, in respect to heart establishment, was that the six outstanding cards probably lay 4-2, rather than 3-3. To guard against this probability, South now led a low heart from dummy; he did not make the common mistake of leading out ace, king and another heart.

East took the first heart trick and, in an effort to attack dummy's side entry, shifted to the club queen. But South was alert. He won the trick with his own ace, then led his remaining heart to the king. The heart ace did not drop the two cards still outstanding in the suit, but another heart lead drove out East's last stopper, and now, of course, declarer was safe. He could win any return, in his own hand or dummy, use the club king for entry, cash the fifth heart, and claim his nine tricks.

Observe that the common error of leading ace, king and another heart immediately would be fatal in this case, as in so many other cases. Declarer could never establish and reach a third heart trick.

Merits of Dried Figs

The nutritive properties of dried figs rank high and their merits are many. Their natural sugar furnishes quick energy—88 calories per ounce. They provide significant amounts of calcium, as well as several other minerals such as magnesium, phosphorus, potassium, and sulfur. Three large figs yield nearly three grams of supplementary protein and over one-tenth of the individual's daily requirement of iron. In addition, the value of their contribution of bulk to the diet is well recognized.

Packing is the gentle art of packing a bag full with nary a wrinkle. To fit in easily and get out neatly: Start by spreading out in plain view every single item you plan to pack; be lavish with tissue paper; fill shoes with small non-crushables; treat spillables, bottle stuff, to plenty of strategic cellophane taping (necks, tops); make a check list of the number of bags you travel with and what is inside.

No Letup in German Food Handout

BERLIN (AP) — West Berlin's government has abandoned plans to halt its food distribution to East Berliners for 11 days and announced the giveaway would continue without pause.

The city Senate said the American-sponsored parcels of food would be given out daily to all Soviet Zone residents who come for them. Earlier the Senate had planned to continue supplying only East Zoners from outside Berlin and to hold up distribution to East Berliners beginning Sunday while the program's facilities were reorganized.

Since the venture started July 27, almost 2½ million parcels of lard, sugar, canned milk and dried vegetables have been given to Easterners. The hungry braved tough Communist police patrols and countermeasures to smuggle the coveted packages back home.

* * *

VOLUNTEERS have been handling the distribution so far. The government said paid staffs would take over. New handout stations also will be set up, since schools which have been used reopen soon for classes.

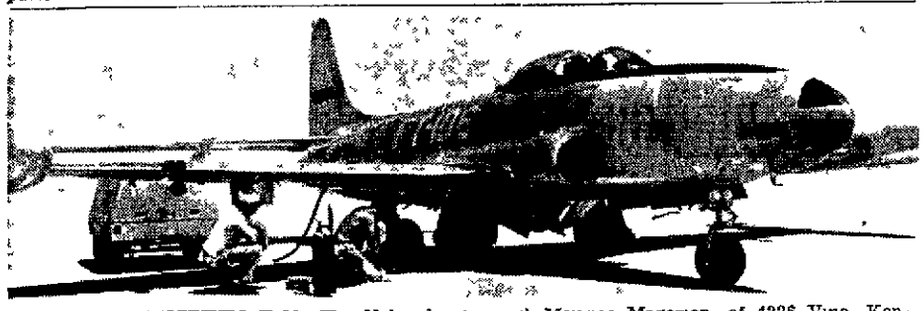

The Senate denied reports, published in America, that the British and French had objected to continuing the U S -financed program because of fear of Russian reprisals. A British spokesman also said he knew nothing of any such objection.

* * *

ALLIED officials said that when the food distribution was undertaken, some British and French authorities had expressed concern that it might boomerang against the East Germans.

But these officials said West German and American authorities convinced their reluctant colleagues that the anger of the East Germans, as illustrated by the June 17 revolts, was of such magnitude that the Communist regime would tread slowly in trying to combat food handouts.

Repressive measures by the reds apparently have only served to stiffen the Soviet Zone workers' insistence on coming to the West for the coveted parcels.

Giant Bubble Bursts As Hoyt Clobbered

NEW YORK (AP)—In the shattered wreckage which once was a pennant race lay not only the hopes and dreams of the Giants Friday but a bursted bubble about the invincibility of their ace relief pitcher, Hoyt Wilhelm.

As the Dodgers moved mercilessly onward with a 10-inning, 9-8 triumph that gave them six more victories in a row and three straight over the Giants, the most significant item was the way they "moldered" Wilhelm.

• • •

ROY CAMPANELLA, Brooklyn's hottest candidate for Most Valuable Player honors, hit a three-run homer off the knuckleball specialist in the seventh in the uphill struggle, then tagged him for another homer in the ninth that tied the score at 8-8.

In the 10th, Carl Furillo, Brooklyn's hottest candidate for the National League batting championship and for Comeback of the Year honors, lashed the first pitch off Wilhelm for a homer that provided the victory margin.

Wilhelm, who had a 15-3 won and lost record in 1952, suffered his second defeat in as many games to the Dodgers, and it was a home run which got him in trouble the previous day.

Then Duke Snider tagged him for a grand slam homer and the Brooks went on to win, 6-5, after trailing 5-0. Thursday night, trailing 8-3, they kept pushing until they gained the victory that boosted their National League lead over Milwaukee to 7½ games.

• • •

THE YANKEES stayed seven full games on top in the American League race when lefty Ed Lopat pitched a six-hit 6-1 victory over the Senators whom he beat for the 10th straight time. The White Sox topped the Indians, 7-3, with a four-run rally in the 10th inning to give Virgil Trucks his 15th victory.

In other American League games, the Browns defeated Detroit, 1-0, in 11 innings when Vic Wertz doubled and Vern Stephens singled off ex-Brownie Ned Garver to break up a scoreless battle, while the Athletics topped Boston, 1-0, on a three-hitter by Joe Coleman.

COLEMAN, winning his first game of the year after being laid up for two seasons with arm trouble, yielded only three singles. He also scored the winning run in the sixth after he doubled and came home on Joe DeMaestri's single.

Cincinnati topped the Cubs, 10-2, on a seven-hit pitching job by lefty Fred Baczewski against his ex-mates, cashing in on a rally in the third in which the Ohioans scored five unearned runs on three Chicago errors. Will Marshall homered for Cincinnati.

Pittsburgh edged Philadelphia, 4-3, on the margin of a pair of homers by Frank Thomas and the seven-hit pitching of Paul LaPalme.

LINCOLN 1, NEB., FRIDAY, AUGUST 14, 1953—P.M.

WOW-TV to Carry NU-Oregon Game

OMAHA (AP)—Television Station WOW-TV, Omaha, announced Friday it will carry a total of 21 college and professional football games this fall, leading off Sept. 19 with the Nebraska-Oregon game in Lincoln.

The Lincoln game is one in the series designated the NCAA Game of the Week.

Golfer Scores Pocket-in-One

ASHEVILLE, N.C. (AP)—M. A. Sandifer of Atlanta made a pocket-in-one Thursday.

In the Biltmore Forest golf tournament, his first hole tee shot veered to the side and wound up in the left hip pocket of an unidentified man watching another match.

'Stars' Underdogs In Football Classic

CHICAGO (AP) — The Detroit Lions, with experienced men at every position, rate a 14-point favorite for tonight's annual battle between the National Football League champions and the College All-Stars.

The game is slated for Soldier Field at 7:30 p.m. CST, before nearly 90,000 spectators. In addition it will be televised over 84 stations coast to coast (including KOLN-TV, Lincoln).

The weather outlook is for a fair and pleasant night with the temperature in the low 80s and humidity around 50 per cent.

THE LIONS, victors in 17 of 20 games last esason, finished the regular season with nine victories in 12 western division games. They beat the Los Angeles Rams in a playoff, 31-21, and then captured the league crown with a 17-7 decision over the eastern division titleholders, the Cleveland Browns. The other six victories came in exhibition contests.

Coach Buddy Parker will field a team tonight with the same players who held No. 1 berths last season on both the offensive and defensive platoons.

Heading the Lions are Quarterback Bobby Layne, the seventh best passer in the league. Halfback Doak Walker, a standout in 1951 even though injured most of 1952, and Fullback Pat Harder, fourth leading scorer in the pro circuit last year even though 67 of his 85 points came on field goals and points after touchdowns.

Layne has two standout ends as pass receivers too, the gigantic Leon Hart and Cloyce Box. Box was the ninth leading pass receiver in the pro league in 1952 as well as the second leading scorer.

• • •

TO COMBAT this aggregation, Coach Bobby Dodd of Georgia Tech will select from a hand picked group of collegians. It will be his second consecutive year directing the college stars against the pros. His team last year lost to the Los Angeles Rams, 10-7.

It is likely that three pitchers will see early action for the stars with Jack Scarbath of Maryland the probable starting quarterback. Behind him, though, Dodd plans to use Tommy O'Connell, Illinois, and Dale Samuels, Purdue, probably in the first half.

The All-Stars, despite lack of experience compared to the pro club, are figured to be in better condition with an edge in speed in their favor. Overall the college crew will not be as heavy as the pro's, but the backfield will be about equal in size.

The probable starting lineups:

College All-Stars		Detroit Lions	
Players	School	Player	School
B. Flowers (Pdu.)	L.E.	C. Box	(W.Tex.St.)
K. Gilbert (Miss)	L.T.	L. C'k'mr	(W.&M.)

Seventh Race 'Cap Purse Worth $1,100

Saturday's Seventh race at the Fairgrounds Track will be worth $1,100 to the winning owner. Named the 'Hotel Capital Handicap,' the feature for three-year-olds and up will be run at six and one-half furlongs.

High weight for the race will be carried by Whatcetera, winner of the Inaugural Handicap, $1,100 feature of Tuesday's running. Whatcetera races under the colors of R. T. Allen.

Wayne and Duane Murty, twin brother jockeys, still lead in bringing home horses in the money. Finishing in the chips eight times, Thursday, the Murtys rode 15 between them during the day's meet.

• • •

THEY HAD built up a winning string of 13 straight, beginning Tuesday, but it was broken in Thursday's fifth race, when T-Town Express, with Chuck Guinup aboard, upset favored Applex to pay the day's best kick-back, $24.20.

One of Duane's winners, Boswell Queen in the seventh, turned in the fastest five furlongs of the current meet — 57 seconds. That time is only 4/5 off the track record.

Naprika, two-year-old bay filly who won the first race on the opening day of the meet, ran a front-running race to beat Gun Powder in the first race and become the first horse to win twice this year.

Naprika combined with Captain Buzz in the second race for a $30.60 daily double.

Drawings for deer and antelope permits were made at the Statehouse Friday.

The drawings were conducted by the State Game Commission with 14 judges from the five deer and antelope hunting areas participating.

THE FIRST name drawn was that of Dale D. Halstead, Gering, in Area 1.

Second drawn in Area 1 was a "buddy-buddy" application by Richard R. Owens and Milton Clark, both of Stratton.

In Area 2 a "buddy-buddy" application was first. It was submitted by Ray W. Pinkerton and Robert J. Pinkerton, both of Loomis.

A total of 5,300 deer permits and 150 antelope permits are available. State Game Commission officials said there were close to 10,000 applications. There are five hunting areas involved.

The drawing process was expected to take about three hours. Notices will be mailed out as soon as possible to successful applicants.

Gillespie, Murphy Big Names in Meet

By DICK BECKER
Journal Sports Writer

Paul Gillespie, Pat Murphy.

Those were the two big names in the Men's City Golf Tournament Friday.

Gillespie, a 30-year-old par buster, blasted State Champion Whitie Reed from the tournament, 2 and 1, in the quarter-finals at Hillcrest Country Club.

Murphy, a virtual unknown, sent Medalist Gene Chadwell to the sidelines, 2 and 1.

• • •

THE OTHER two semi-finalists will be Defending Champion Bill Mowbray Jr. and Don Pegler Jr.

Mowbray downed Ray Wallasky, 2 and 1, while Pegler took out Stan Stroh, 4 and 3.

In Saturday's 36-hole semi-finals it will be Mowbray against Gillespie and Murphy against Pegler.

Gillespie was one under par for the 17 holes he played against Reed while Whitie was even with par.

• • •

GILLESPIE applied the knockout punch on the 14th, 15th and 16th holes. He went to No. 14 tee one down. Then he had a birdie, a birdie and a par to go two up. He halved No. 17 to end the match.

Murphy was one down to Chadwell going to the 15th tee. He blasted in three straight threes for a birdie, par, birdie to eliminate Chadwell. Murphy was one under par for the 17 holes. Chadwell led 1 up at the end of the first nine with one under par 35.

Mowbray had a tough time with Wallasky, making the turn all even. However, Bill won No. 11 and No. 16, both with birdies to take the match.

Pegler was one under par for 15 holes in handing Stroh a surprising battering. Pegler got 3 up early in the match and never let up. Stroh won No. 9 to make it 2 up for Pegler at the turn but he could never catch up.

Mowbray and Pegler are from the Lincoln Country Club, Murphy from Hillcrest and Gillespie from Pioneers.

Randolph And F Street Lead Series

Randolph and F Street both took big steps toward the City Midget Baseball Championships Thursday night at Sherman Field. F Street took the B game from Northeast 7-6, and Randolph nipped Prescott 6-5.

The Randolph-Prescott game was all tied up, 4-4, at the end of the sixth. Randolph tallied twice in the top of the seventh on three walks and an error.

Prescott came back in its half of the seventh. Dick Welch and Larry Stine both hit safely, Stine's single scoring Welch who had doubled. A pair of walks loaded the bases, but Jerry Perry struck out Larry Spadt to end the threat.

Stein got two hits, drove in two runs, and scored once himself to lead the Prescott bid, while Jim Cripe, with two safeties and three runs scored, was the big noise for Randolph.

The B tussle between Northeast and F Street was also a tight game. F Street plated three runs in their half of the seventh to go ahead 7-4.

The same four teams meet tonight in Sherman Field in the best two of the three series. Line scores:

F Street	7	8	4
Northeast	6	8	5

Grenemeir and Madsen; Wall and Simmons.

Randolph	6	4	0

Chiefs Cop Opener With Soos, Then Drop Finale

Lincoln Wins 1st Tilt, 4-1, on Hancock's HR

SIOUX CITY, Ia. (AP)—A five-run explosion in the seventh, featuring a grand slam home run by Art Dunham, brought Sioux City an 8-3 win over Lincoln in the second game of a doubleheader Thursday night. Lincoln won the opener, 4-1, on Fred Hancock's three-run homer in the seventh.

The Soos and Chiefs were locked at 3-all when the game-winning outburst began in the nightcap.

A walk, Ray Johnson's single and another stroll filled the sacks and brought in Vance Carlson to replace Bill Denney on the mound. Earle Willis brought in one run with a fly and after another walk again loaded the bases, Dunham lined a Carlson pitch over the right field wall.

Lincoln had put together singles by Joe Rivich, Red McQuillen and Moose Womack, a walk and an error for two runs in the first, and counted once in the fifth on a walk, Danny Holden's single and a passed ball.

The Soos also had notched a pair in the first on singles by Johnson and Dunham, a walk and Denney's wild pitch. Jimmy Jones homered to start the second.

The first game went to the Chiefs as a result of two Sioux City errors in the seventh.

Tied at 1-1, Lincoln began the bid when Sam Suplizio's roller went through the legs of Pitcher Joe Stupak. Rivich then skied for the second out and Vinnie LaSala committed his third error of the game on Tom Neill's easy roller. Hancock then smashed a Stupak pitch over the left field fence.

The Chiefs had collected one off Stupak in the fourth when Hancock singled, took third on McQuillen's double and scored on Pitcher Roger Wright's single. The Soos got it back in the same inning as Dick Getter walked, advanced on Dunham's single and crossed on Jones' single.

Andy Bush (7-8) will pitch for the Chiefs tonight against the Soos' Dick Hamlin (11-17).

Victory Seen By LaStarza Fight Camp

GREENWOOD LAKE, N.Y. (AP)—Roland LaStarza, a pleasant, mannerly young fellow from New York City who expects to be the next heavyweight champion of the world, is in solid training here for his big chance against Rocky Marciano on the night of Sept. 24 at the Polo Grounds.

The 24-year-old challenger, by his own admission, has not an awful lot of conditioning to do. He was rated for more than three years for another shot at Marciano, who beat him on a hotly-disputed split decision, and he has kept himself ready all that time. He's within three or four pounds right now of the 190 he expects to scale for the Rock.

THE LA STARZA camp, cooled by breezes off a large and scenic lake, is confident. No matter what the majority of critics may think, both the handsome young challenger and his manager, Jimmy DeAngelo, believe it is only a question of getting Marciano into the ring again.

"What we've made the last three years hasn't amounted to anything," DeAngelo said frankly. "There hasn't been a good payday in that time. But that will all be over after we've won the championship."

He said it with the simple faith of a man stating that the sun will come up tomorrow. It is well known that things have not been too good for the little manager and his fighter as they stubbornly waited out Marciano's pilot, Al Weill, but now they are ready to cash in at last.

DeAngelo was asked if he felt certain his boy had developed along with Marciano despite his comparative inactivity during the long wait for another chance at the Brockton belter.

"There's no question of it," he replied earnestly. "Roland's a mature fighter now, just as Rocky is. He has trained and studied constantly and kept himself in perfect shape. He's a wonderful boy to handle in every way."

I May Be Wrong

By Walt Dobbins
Journal Sports Editor

Our Chiefs lack only 14 paid admissions of equalling the 1952 season attendance at Sherman Field of 61,483 fans. With the official figures from Elks' Night still lacking it is quite possible that Lincoln has already gone over last year's mark.

Lincoln will have to average 1,676 admissions per night to maintain its average of 81,584 a season during the first six years of the modern Western loop.

General Manager Johnnie Maher is shooting for the playoffs and 100,000 attendance but the odds are very much against the Chiefs overtaking the Cards and Bruins.

As of Thursday Lincoln trailed the fourth place Cards by five games and the fifth place Des Moines team by three. With 36 games left the Chiefs have a chance especially in view of the fact that two of the games are with the Bruins and four with Omaha.

Eighteen of the remaining games will be played at Sherman Field and 18 on foreign diamonds.

Injuries Hurt Chances

The chances of Lou Finney's club climbing any higher are hampered by injuries to outfielder Sam Suplizio and pitchers Norm Bell and Bob Mathieson. Walt Linden and Dick Willis are also nursing minor hurts.

Sioux City is only 3½ games (Thursday) behind the Chiefs and the two clubs clash three more times this year. Add this to the fact that six games are left with the league leading Sky Sox; seven with the second place Denver Bears and seven with the third place Pueblo Dodgers.

There are certainly no soft touches left.

Getting back to the attendance situation, the figures for the first six years of the Western read:

1947	43,464	1950	70,811
1948	127,462	1951	37,123
1949	149,159	1952	61,483

Total for six years: 489,502. Average per season 81,584.

Although individual game figures are not available for the 1947 season, here are some interesting facts:

	Top Crowd Home	Top Crowd Away	Low Crowd Home	Low Crowd Away	Opening Game
1948	5,270	10,248	711	351	3,228
1949	4,239	7,455	118	922	3,611
1950	2,939	13,383	291	647	2,939
1951	2,827	6,648	84	399	2,039
1952	2,742	8,663	234	425	1,291
1953	2,702	5,001	363	305	1,011

So much for the "statics" as Diz Dean calls 'em.

Bowl Agreement Sought

Orange Bowl representatives are reported to be seeking a bowl agreement between the Big Seven conference and the new Atlantic Coast loop. The Big Seven has a rule against bowl games but sentiment against post-season contests may have eased.

A writer from Denver claims Missouri, Kansas State and Oklahoma would vote for a bowl game while Kansas is "on the fence." Nebraska, Iowa State and Colorado are allegedly against any such proposed action.

This same columnist says that he wouldn't be surprised to see the Sooners and Maryland clash in Miami next New Year's day.

Virtually All Sports Now Open to Negroes

By JACK MABLEY
Lincoln Journal—Chicago Daily News Service

CHICAGO — Nineteen hundred and fifty-three is the first year in the last 16 that a Negro hasn't been heavyweight champion of the world.

The two best high jumpers in the world are white. An Italian is the best sprinter.

Is Negro domination of boxing and track at an end?

It probably is, and no one is happier about it than the Negroes themselves.

● ● ●

THE OTHER side of the picture is found in the accomplishments of Jackie Robinson and of Althea Gibson, the 25-year-old Negro tennis star; in Billy Anderson and Eddie Macon, the first Negroes to play football for the Chicago Bears.

The bars against Negro athletes are going down in baseball, in pro football, in basketball and tennis and golf.

The Louises and the Robinsons are becoming known as great athletes, instead of as great Negro athletes.

Jesse Owens, one of the all-time stars of track, says this about Joe Louis:

"Louis helped boxing, and he helped his people. Louis is thought of as a great fighter. The word Negro doesn't enter into it. That has been the greatest help."

● ● ●

ALTHEA GIBSON is a New York girl who played Maureen Connolly for the clay court championship of the United States at River Forest this year. Tennis always has been one of the most snobbish of sports. Miss Gibson's acceptance in big time tennis, and her success are a great satisfaction to people on Chicago's south side who watch these matters far more closely than is generally realized.

Negroes competed in the Tam O'Shanter golf carnival this month. Negro golfers still are having a tough time winning recognition. "We're more interested in how they play than in how low their score is," said one Negro of the Tam competitors.

In 1942 one of the greatest basketball players ever produced in the state of Illinois, Nat (Sweetwater) Clifton, graduated from Du Sable High School. In an era of fabulous bidding for prep stars, Clifton didn't hear a word from a single Big 10 school.

● ● ●

"GENTLEMAN'S" agreement among Western Conference basketball coaches has kept Negroes off their basketball teams. It wasn't until the last few years that Bill Garrett of Indiana University and Deacon Davis, a Freeport, Ill., star who went to Iowa, broke down this barrier.

Clifton, incidentally, went on to become one of the best players on the Harlem Globetrotters, a Negro team of basketball players that probably spreads more good will around the world for the United States than the Voice of America.

With virtually all sports open to them, Negro youngsters have stopped concentrating on boxing and track—the two sports in which the only equipment needed was a good body, hard work, and a fierce desire to hit harder and run faster than anybody in the world.

Plainsmen Edge Into 3rd Place

Jim Coufal had two singles and a double to lead the North Platte attack. Wells was the winning pitcher as he relieved Jim Callaghan in the fourth with his team trailing, 8-2.

Hein Ten Hoff Hopes To Emulate Schmeling

NEW YORK (AP)—Hein Ten Hoff, a huge heavyweight out of Germany, is hoping that boxing history will repeat itself — up to a certain point.

Twenty-five years ago, another German heavyweight came to the United States and wound up winning the heavyweight championship of the world. That was Max Schmeling.

And already there is a parallel between these two imported fighters.

● ● ●

EACH HAD his trouble getting started toward the top. The scowling, beetle-browed "Moxie" came to this country in 1928 and it was almost six months before he could get a bout of any calibre. In desperation, his manager, Arthur Van Bulow, began to give anybody and everybody who might help get him a good match a "piece" of his fighter.

The difficulty was that he gave away too many "pieces." It figured out eventually that he had sold 111 per cent, a situation similar to that of madcap Maxie Baer.

A solution was worked out when the late Joe Jacobs and Billy McCarney bought out everybody with an interest, pulled the strings to get Schmeling started and eventually "acted" their way to the title by claiming a winning foul in the championship bout with Jack Sharkey.

● ● ●

TEN HOFF hasn't been parceled in such quantities, but after a period of frustration, his manager, Fritz Kirsch, has accepted local entanglements and Hein is moving forward in the heavyweight picture.

After two nondescript bouts, in Las Vegas and Salt Lake City, he finally gained a foothold in the New York area and scored a swift kayo over one Bill Wilson. Now, also in Schmeling's footsteps, he'll campaign on the New Jersey doorstep, fighting Albany's Jimmy Rousse in Newark on Aug. 24.

Again, as in Schmeling's case, it could be Ten Hoff's passport to the big time. Back there, a quarter century ago, Schmeling on the strength of a Newark win over one Pietro Corri was able to get and beat such as Johnny Risko and Paolino Uzcuden and move up to a title fight.

● ● ●

THE 225-POUND, six-foot, two-inch Hein hopes the similarity ends there.

Because from that point, Schmeling's career became a rocky one. Two years later, Sharkey took away the title.

Rehearing of Protest Sought by Superior

SUPERIOR, Neb. (AP)—The Superior Knights of the Nebraska Independent League want a rehearing of the protest action which cost them a tie for third place and a play-off spot.

The protested game was Superior's final one with McCook. Superior won, 1-0, but a league meeting at Holdrege Tuesday declared McCook the winner.

● ● ●

TONY SIMIC, representing the Knights' board of directors, said the protest resulted from a situation created by Superior's dirth of pitchers.

When Superior's last pitcher Jerry Rollihan, was ordered to report for induction into the Armed Services, Simic said, the team was left without a pitcher for the McCook game.

Simic said league representatives with whom he met in Holdrege Monday told him to "get anybody he could." Superior hired John McCarthy of Ft. Riley, Kan., for the final game.

League rules provide that when a team loses a player from its roster late in the season, a substitution may be made provided the substitute has played at least once previously for the team.

The league held that neither McCarthy nor Bill Sheehan, who also played for Superior, has been on the roster previously.

Schmeling had a later moment of glory when he floored the young Joe Louis, but in 1938 the Brown Bomber destroyed him in a few seconds of vengeful fury.

The war interrupted one of Schmeling's comebacks as he became a paratrooper. Subsequently cleared by a British de-Nazification tribunal, he again attemped a comeback in 1947 but soon faded into obscurity.

Now it is Ten Hoff attempting to emulate his climb from nowhere. And it is understandable why the big man hopes the similarity goes only so far.

Fremont Cards Final Victory

DAVID CITY—Fremont, played its last game of the regular season and added another gem to its newly-won Pioneer Nite League diadem by beating David City, 6-1.

My Draemel and Denny Zakovec each had two for three for the winners. Vaughn Hazen tripled for the Night Hawks.

Denny Korinek's three-for-four was tops for David City. He also stole two bases.

Promoters Get Okay to Build Sewers

Trustees of Sanitary District 1 told two Lincoln promoters—James A. Strauss and Mrs Thelma C. Olson and her associates—to go ahead and build at their own expense sewers the district will inherit and later control.

Mrs Olson's sewer—an eight-inch pipe stretching 1,800 feet south of Adams about 305 feet west of 27th Street—will service her own business and that of a group of associates—Mr and Mrs William B Carroll, Paul and Robert J Carroll and Ames V Olson

Mrs Olson indicated she could build a sewer more cheaply than the district Engineer Walter B Coale had estimated cost at $4,000 The board told her to build under supervision of Coale The district will maintain and repair the line and continue to yield authority in granting any connections

* * *

DISCUSSION of the Strauss proposal was based on terms that the district construct a sewer leading through intervening farmlands to Eastridge, where 25 foundations for contemplated housing are already dotting a 75-acre tract newly platted into 656 lots.

The board, accepting a proposal from Strauss which he presented with assistance of former Mayor Vic Anderson and Atty Herbert R Hecht, rejected a counter proposal from the trio that Strauss pay the district $10,500 for district construction of a sewer "adequate to serve the 500 homes contemplated in Eastridge" with an outlet at 70th and O

Trustees directed Strauss to confer with Coale and Max Kier, counsel for the district, on contract terms and easements

The Strauss sewer would be at a four-foot depth.

* * *

TRUSTEES DROPPED a proposal that Strauss be allowed to contribute a portion for construction of a $44,000 12-inch trunk sewer to serve Eastridge and any adjacent areas in future development.

Sanitary trustees also:

1 Purchased for $225 from Councilman Rees Wilkinson, three lots on Salt Creek on which the district's channel program has placed dikes Wilkinson acquired the lots at tax foreclosure in 1947

2 Assured County Clerk J. B Morgan that should any excess result from the original 2 mill levy requested it will be applied to retirement of bonded debt and interest

Hard to Find Plumbing Aide

Expansion of the plumbing inspection department by the addition of a third man, recommended by Public Works Director D L Erickson, will be difficult because of no-availability of the man

With plumbers making high wages, feelers have not met favorable response It is possible, however that an inspector not of the plumbing profession could be used

Increased building activity accounts for the budgetary request of last year and this No one was added because no one could be found

Inspection fees for 1950-51 were $18 753 and inspection cost, $10,110 For 1951-52 fees were $22 470 and expenditures $11 051 Excess goes into the general fund

Judge Rules Dad To Get His Son

A father will regain possession of his 5-year-old son through a habeas corpus action in Lancaster District Court

Judge John L Polk found that a divorce decree in Thayer County entered in August 1952, gave custody to the father

The mother, Judge Polk said, unlawfully kept possession of the child

Since there has been no change in circumstances affecting the fitness of the father to have custody of the boy, the judge directed the sheriff to deliver the child to the father

The sheriff had been holding the child at Cedars Home

Competition On Water Pipe Keen

Keen competition is anticipated by Public Works Director D L Erickson in selection of pipe for the big $4 1 million, 48-inch water main from Ashland He hopes to have specifications ready this fall

Three types will compete Cast iron, steel and reinforced concrete It is planned to complete this major undertaking in the spring of 1955 Pipe and fittings probably will exceed $2 million.

When the 36-inch cast iron pipe was laid more than 20 years ago, bids by steel and concrete representatives on material alone approximated $1 million each while the cast iron ran to $1 3 million

Representatives of the three types in 1931 filled the Council chamber to overflowing

Should reinforced concrete pipe be selected for the 20-mile span, Erickson assumes that a factory would be set up locally for manufacture.

NEW YORK (AP)—Stocks lost fractions to more than a point in quiet trading Friday.

Rails were hardest hit in the selling, dropping more than a point in several issues. Most losses, however, were small and a few special issues managed fair-sized gains.

Bond Market Mixed Narrowly

NEW YORK (AP) — The bond market was narrowly mixed Friday. Sales volume was light.

Railroads were the most active section in the corporate list, but prices were irregular. Utilities and industrials were fairly steady.

U.S. Governments were quiet.

Little Red Boxes Confuse Motorists

McALESTER, Okla. (AP)—Little red boxes are plaguing city officials.

The city recently instituted a painless method for paying overtime parking tickets. Motorists were allowed to place the tickets and 25 cents in red boxes installed in each downtown block. This allowed them to avoid the $1 police fine.

Firemen, however, got an alarm from the industrial section soon after. When they arrived, they found a farmer trying to stuff his overtime ticket and a quarter in a red fire alarm box.

Arty Kansas City Asks Antenna Bill

KANSAS CITY (AP)—With more television stations opening here, City Manager L. P. Cookingham shuddered at the prospect of countless receiver antennas towering over the city's sightly residential areas.

Some cities have so many antennas of varied design and height that they have become "urban uglies," he said. "I hope we can find some means of escaping this."

Lumber Firm Proves It Is Top Fire Risk

WAYNESBORO, Va. (AP)—A day after a fire destroyed four buildings and damaged six others, city council cited a lumber company building as an apparently dangerous fire risk.

The company owner replied in an advertisement in the city's daily newspaper. He assured the public his building wasn't a fire hazard. It wasn't after that night. It burned down.

Fish Catching Picnic Is Close to Shore

DARWIN (AP)—They've been catching fish at Darwin, big five pound tunas, by their tails. A great shoal that came close inshore chasing sardines gave residents a great time.

Small boys flipped them out of the water by the tails. More conservative fishermen baited their lines with sardines, and caught a tuna every cast. One party fishing with lines caught one ton.

LET'S EXPLORE YOUR MIND

BY ALBERT EDWARD WIGGAM, D Sc.

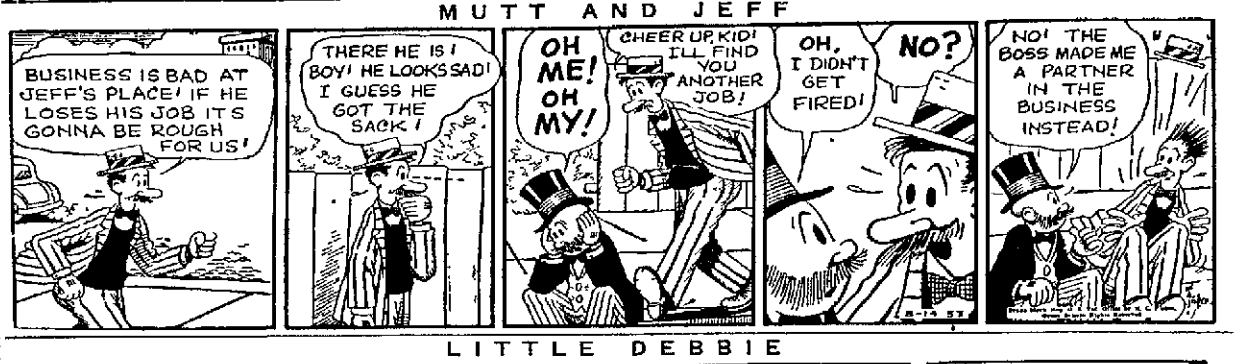

1 Yes In the past 50 years women's clothes have become much more masculine—partly due to their outdoor life and greater participation in sports Also, since World War I, women have taken many of men's jobs where they have to wear work clothes There has been no tendency for men's clothes to become feminine After all, women want to wear what is fashionable and the most fashionable thing a woman can wear on her arm—is a man

2. In some ways, yes —in some ways, no The statement is partly true that 'The more you equalize opportunity the more you unequalize men" Each man chooses or rejects items in his environment partly from his inborn nature—his heredity A strong, bright person neither chooses nor rejects the same things as a weak stupid person Environment acts both ways—it makes people alike in some ways, different in others

3 Not necessarily Biologists say 'the best-adapted survive" Sometimes the best-adapted are weaker or more stupid Some types of animals are of lower type than their ancestors, because they could adapt themselves better to changing environments Civilized man rightfully takes care of his weak and stupid, but if the latter had more children than their preservers, the human family would be envolving down instead of up
